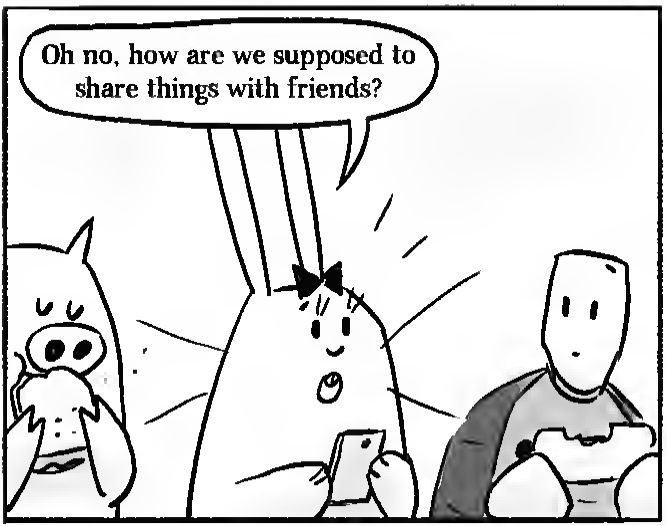
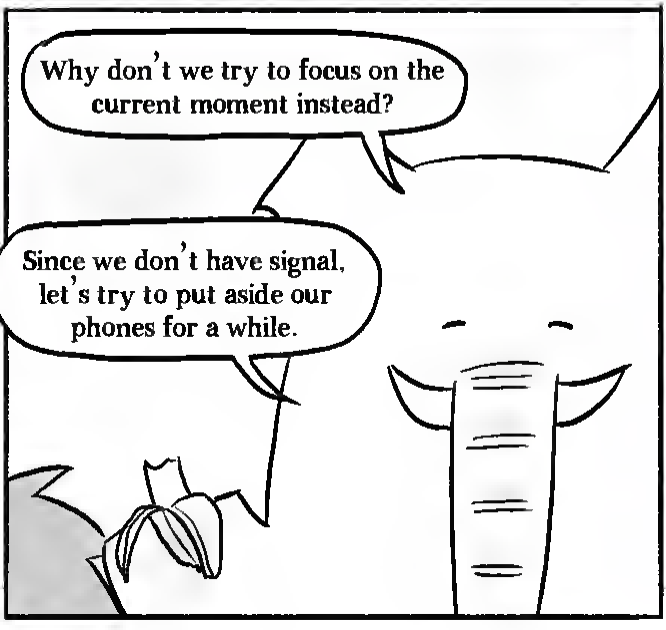
The signal is very weak here.
We are too remote.

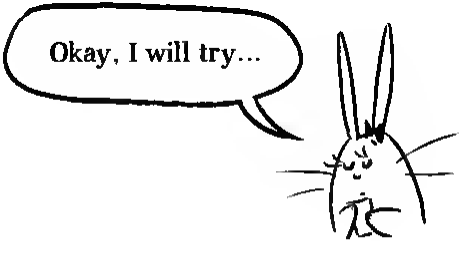


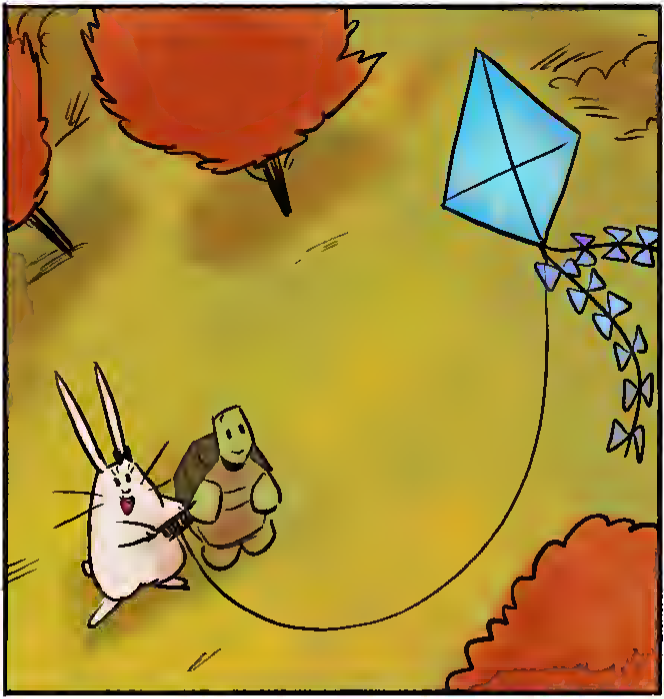
Oh no, how are we supposed to share things with friends?

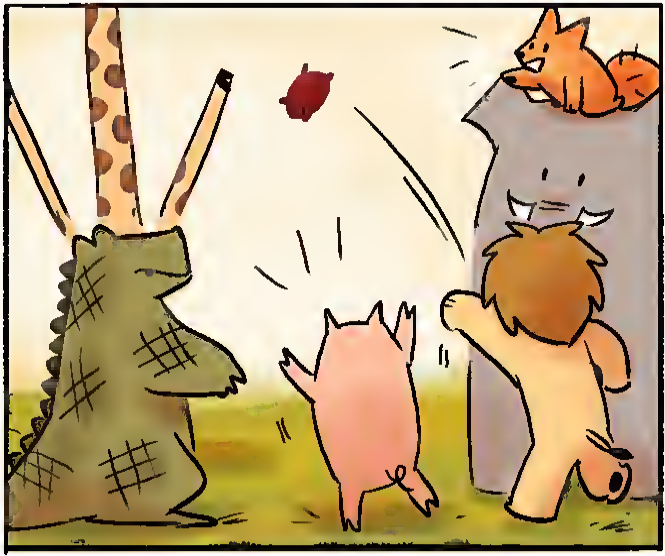


Why don't we try to focus on the current moment instead?
Since we don't have signal, let's try to put aside our phones for a while.

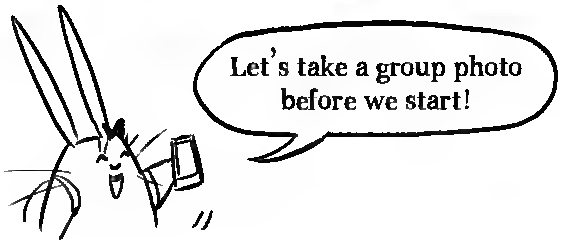
You might discover things you never noticed before.



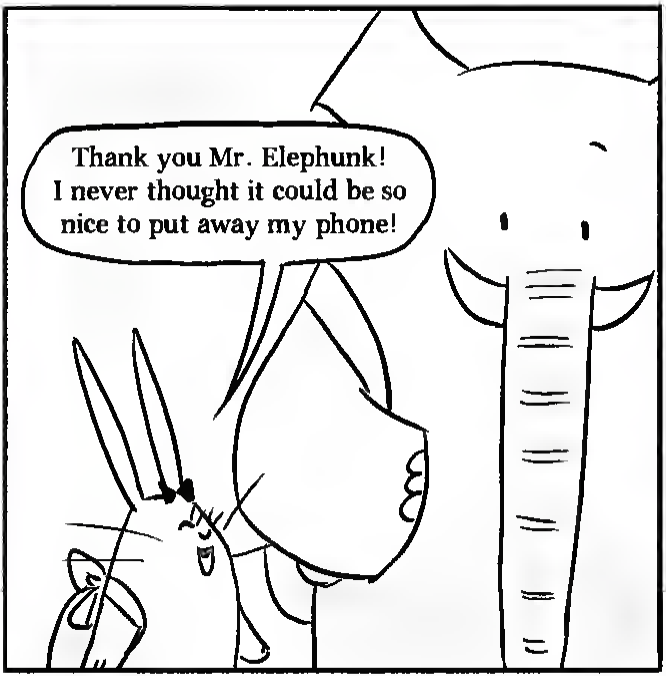




Great weather today!
Perfect for an autumn hike!
GRASSY HIL



Let's take a group photo before we start!



Thank you Mr. Elephunk! I never thought it could be so nice to put away my phone!

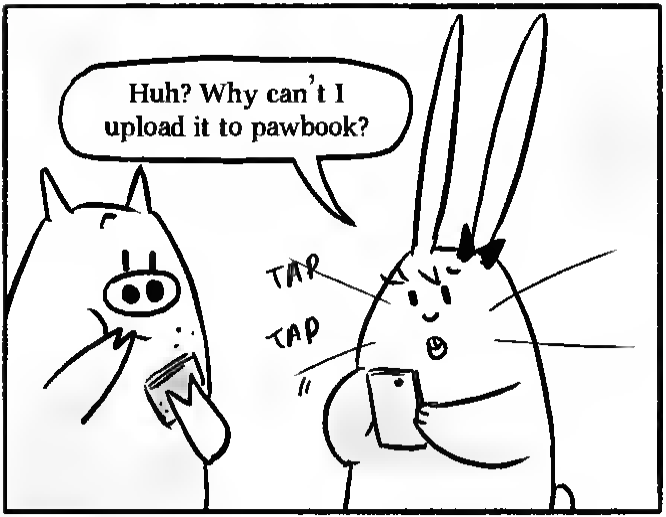
Hey guys, let's take a group photo for our autumn hike!

Hey, the signal is back!
I just send the photo to everyone!

We've arrived!
Let's have picnic here!

White elephants in Thailand are considered sacred and represents royal power.

Everyone's food looks delicious!
Wait! Let me take a photo first!



Huh? Why can't I upload it to pawbook?

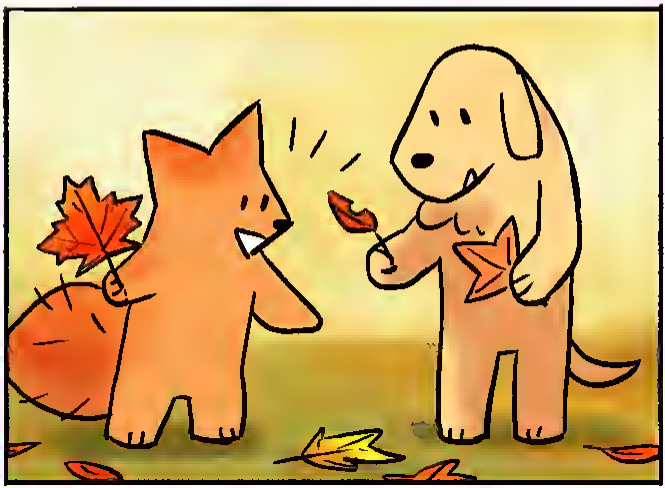
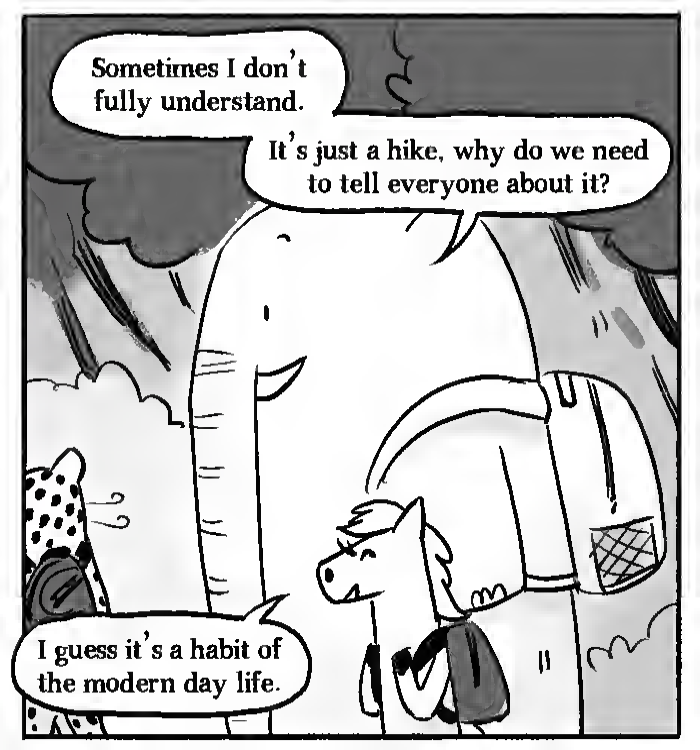
Yes, I will come home for dinner tonight...

This hiking app said we have walked 3000 steps!
Keep going.



Let's go!
Wait, let me upload this to instaram first!



Sometimes I don't fully understand.
It's just a hike, why do we need to tell everyone about it?
I guess it's a habit of the modern day life.

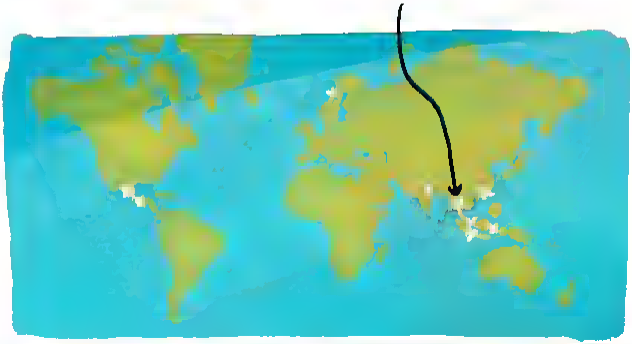
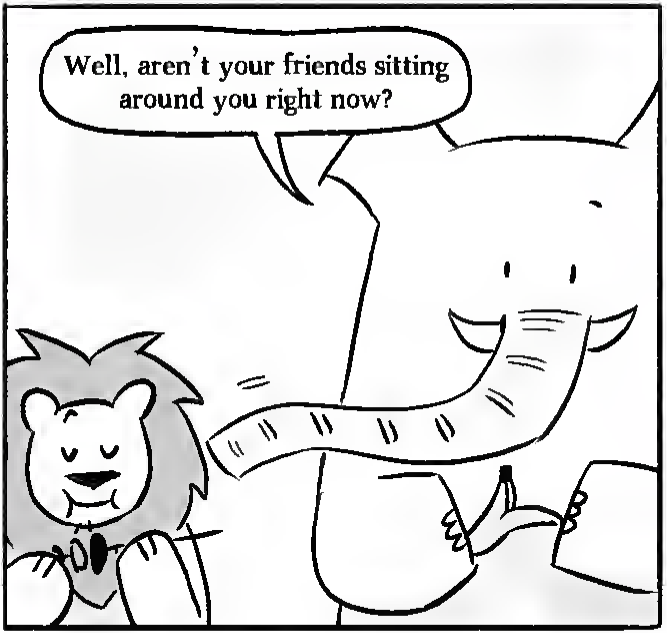
Animals Around The World #9

alisia
Bonnie-sempai, I'm from Thailand and our national animal is an Albino elephant. And we use it as a vehicle in royal ceremony in the past :)

Readers from Thailand!

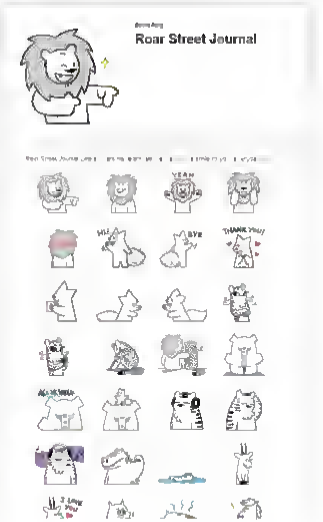




Well, aren't your friends sitting around you right now?

Yes, but I have other friends...

Important Announcement



Our RSJ Line sticker set is approved!

It will arrive at the sticker market next Tuesday night when the next episode comes out.

See you there!

That was fun!
So tired!
